

NewTV Fall 2010 Class Registration

NewTV's Fall 2010 courses will begin the **Week of September 13.**
All classes will be held at NewTV, 23 Needham St., Newton Highlands,

To use NewTV's television equipment, you must first be a
member in good standing and attend an **Orientation Session.**
You may then choose to take courses in any or all of three **Production Tracks:**
Studio Production, Field Production, or Post Production (Editing).

You may also take any of our computer-based courses.

For Membership Info: Contact the Membership Coordinator @
617-965-7200 x 114

If you already know how to use TV equipment, contact the Public Access
Coordinator @ 965-7200 x112 to see if you are eligible to take a "Proficiency Test"
instead of a course.

All NewTV classes are free to members; however, there is a **one-time "Materials Fee" of \$15** for all first-time students. This will cover all the handouts you'll receive from NewTV while attending any of our classes. Please check the appropriate box on the Sign-up Form, and include the \$15 fee with your Registration, if necessary.

Class space is limited, so sign up early. If you are unable to make a class in your course, please call in advance, or you will be charged \$15 for the missed class, and you may not continue with the course until the fee is paid.

REMEMBER: Please sign up for an Orientation session that will occur either before or during your first class.
