NEWTV’S RED CARPET AWARDS A BIG HIT!

by Bob Kelly, Executive Director

NewTV hosted its 21st Annual Red Carpet Awards Ceremony on April 26th. The full house affair featured some very tasty Italian food, drinks and desserts. We were blessed to have so many of our student members in attendance. There were some awesome award winners again this year. The NewTV crew outdid themselves as usual. The facility looked spectacular and the award categories were creative and spot on. I have to say I had a blast and we think everyone who attended did as well.

An event like our 21st Red Carpet Awards Ceremony does not come together without the help of some very special people. The NewTV Board of Directors believes this to be the premier event of the year...and we could not agree with them more. They support it from every aspect they can and we thank them for that. The City of Newton is a willing participant in the success of NewTV’s Annual Red Carpet Awards. We appreciate our friendship with Honorable Mayor Setti Warren and the entire Board of Aldermen. Our relationship with the City goes well beyond the array of programming

NEWTV EARNS TWO EMMY NOMINATIONS

by Marketing Manager, Shelly Kamanitz

We are very proud to announce that NewTV has received two Boston/New England Emmy nominations for The Folklorist promos in the category of Outstanding Promotion Program--Single Spot. We congratulate Producer Jesse Kreitzer, Production Manager Andrew Eldridge and Host John Horrigan for their exceptional work on this project.

The Folklorist is the first of NewTV’s exciting new lineup of original programming and features John Horrigan as the host of various entertaining reenactments of lesser-known historical events.

We recently hosted a preview of the pilot episode at NewTV Studios on March 23, which received rave reviews from NewTV members, elected officials and cast members. The pilot episode is available for viewing online at www.newtv.org/folklorist.

It is an honor (and still a rare occurrence) for a community media center to be recognized by the National Academy of Television Arts & Sciences (NATAS) and to be in competition with local network affiliates for Emmy awards.

MISSION STATEMENT

NewTV is a non-profit Newton-based organization dedicated to providing the diverse Newton community with a platform for opinions, news and local information not generally available from commercial or public media. NewTV also offers training, a media facility and content distribution while supporting the First Amendment right to free speech of the Newton community.
NEWTV’S RED CARPET AWARDS A BIG HIT!
Continued from page 1

Community Partners is the fastest growing aspect of NewTV. More and more businesses are witnessing the meteoric rise of NewTV, not only here in Newton but outside of our borders as well. NewTV was recognized as the Best Community Media Center in all of New England and New York for 2011. Village Bank was, again, this year’s sponsor of our Red Carpet Awards.

And last but by no means least, NewTV would not be who we are without you… our members, volunteers and producers.

Your talents and opinions are what make our Community Channel bust at the seams. We are proud of your work and this annual event is our way of telling you this. We want you to feel comfortable, relaxed and supported at all times. We may not always agree with what you are saying but definitely agree that you have the right to say it. So once again, THANK YOU! Thank you for being a big part of our success and for your level of commitment. As I said at the Red Carpet Awards…We like you, we really like you!

NEWTV EARNS TWO EMMY NOMINATIONS

As state-of-the-art cameras and production equipment become more affordable, it is now possible to create a high-quality product without an exorbitant budget. If you have a great idea and the talent and technology to execute it, the sky’s the limit in terms of what you can achieve. Jesse Kreitzer had a great idea and with the support of NewTV and a talented crew and cast, he was able to channel his vision and produce The Folklorist.

Follow newtv.org/folklorist for more info on the production and future episodes.
Winter Volunteer Spotlight

NewTV would like to recognize Paul Sears for all his time and effort at the station. Paul helps produce a number of projects here including "Women in Politics" and recently has become a regular director on a number of studio shoots including "LawLine with Attorney B.J. Krintzman" and "Newton Legislative Roundtable." Along with the volunteerism he provides, he was recently elected to the Board of Directors at this year’s Members Meeting in March.

For his contributions to NewTV, he will receive a gift card to be determined later. Be on the lookout in the Fall Newsletter for our Summer Volunteer Spotlight, it could be you.

Community Partner Update:
Newton Wellesley Hospital

Technology continues to evolve at a rapid pace and Newton-Wellesley Hospital knows the importance of being a leader in the field of adopting the latest medical advancements. With a focus on quality and patient safety, the Hospital and its affiliated physicians have made significant investments in equipment and resources to better meet patient needs.
One recent advancement is Partners HealthCare Patient Gateway – a secure patient Web portal that allows patients fast and convenient online access to their physician’s office and to their medical information. Through the use of this technology, patients will now have access to:
• immunization information; medication information
• lab reports for tests performed at Newton-Wellesley or a Partners affiliated laboratory; radiology reports for tests performed at Newton-Wellesley or a Partners affiliated facility.

Through this new portal, patients can schedule appointments, request referrals, send messages to their care team and request prescription renewals. Patients can also use Patient Gateway to complete forms for their appointments and receive reminder emails for appointments and tests. Please contact your physician’s office to determine if they are a Patient Gateway site and then go to http://www.patientgateway.org.
GOVERNMENT CHANNEL UPDATE
by Stephen M. Kessinger, Government Channel Coordinator

NewTV offers access to elected officials in many different programs, whether it’s live unedited coverage of municipal meetings or sit down interviews explaining a relevant project on a program like Aldermen At Work. The focus to bring together the community and city government in an engaging manner is the ethos of some upcoming projects that will be seen over the summer and fall. Alderman Lisle Baker has brought every Alderman to NewTV to appear on the program Aldermen At Work, to explain the process of the many committees that recommend plans as well as review proposals for the city. The important work that is done outside of the Board of Aldermen meetings is explained and offers insight on how residents can partake in the process. Watch daily at 6:30pm on the Government Channel for the latest programs produced in the series.

Elections will once again take place in the Fall and NewTV will invite candidates seeking elected office to participate in debates and informational programming discussing the issues.

COMMUNITY CHANNEL UPDATE
by Michael Crossen-Sills, Member Services Coordinator

The warm weather is here and I’m sure everyone has plenty of great plans ahead for the summer. In the next couple of months, NewTV is introducing exciting new classes. So if you’re feeling a bit rusty with any of the equipment, take one of the courses to brush up on your skills. Haven’t had a chance to try out the HD cameras? Take Basic Field. Trying to add something to your shoot, but can’t figure out what? Take Camera Support. Interested in being on camera? Take Interview Techniques. The courses are here to help you learn and produce. The beautiful weather should be an incentive to go out and shoot, so take advantage of this opportunity.

THE EDUCATION CHANNEL: ONLY 2 MORE MONTHS, KIDS!
by Melinda Garfield, Education Channel Coordinator

With summer just around the corner, NewTV’s Education Channel waves good-bye to this round of After School Program participants. By May 30th, we will have instructed 185 Elementary and Middle School students. Their PSA and Music Video projects play constantly on the Ed Channel and parents have loved the ability to access their child’s projects on our “Video On Demand” section of our website. Congrats to Grace Enselek and Rachel Bindman from Franklin Elementary School for winning Best PSA and Emily Mansfield, Nicole Solari, and Marielle Bosco from Horace Mann Elementary School for winning Best Music Video at NewTV’s 2012 Red Carpet Awards. Other awards given: Best New High School Magazine Show went to TC Talk, Best High School Sports Coverage went to NNTV, and Most Valuable Intern was Alexi Reibman. If you have not had a chance to watch Alexi Reibman’s documentary on Occupy Boston, please check it out in our “Video On Demand” section of our website. This summer, NewTV hopes to have the opportunity to offer a day camp at Newton North TV to all 5th-8th graders. We’ll keep you posted! Lastly, the Ed Channel will be gaining a new summer intern, Melanie Segal to film the Arts in the Parks summer concert series. And of course, if any student is interested in joining our growing intern team, shoot us an email at melindag@newtv.org!

UPDATE
by Jenn Adams, News Director

Summer is almost here and that means Newton News gets a new crew of interns. I want to thank current interns: Rachel Rausch, Mallory Sofastaii, Courtney Russo, Kristina Zagame, John Mastrangelo and Nina Foroutan for being a part of the news team this spring. Some may be sticking around but there will be some new faces starting at the end of May. With so much happening in the city it’s hard to be everywhere at once. That’s where you come in. Send Newton News tips, pictures or even video of what’s happening in your village and we’ll put it on the news. Just go to upload.newtonnews.org to share your footage or email news@newtv.org if you have a story idea. The internship program never ends, so if you know of someone who wants the complete hands-on experience necessary to get their demo reel done for that first job, make sure they contact me via email news@newtv.org or call 617-965-7200 ext. 121.
