NEWTV AFTER SCHOOL PROGRAM 2012–2013
by Melinda Garfield, Education Channel Coordinator

Last year NewTV introduced the NewTV After School Program to get Newton elementary and middle school students excited about producing television, in the hope that they will continue their education at the high school level. The program is free for all families and is held at each public school. The feedback from parents has been positive and the kids have been eager to participate.

Depending upon the month, we have been offering each school a three- or four-session program, during which students learn how to use video cameras with proper shot composition and produce public service announcements and music videos. They also get a chance to take part in our “Campfire Stories” segment included in NewTV’s original program The Folklorist. The students shoot their videos on Canon VIXIA HD camcorders, intern Noah Zucker edits their projects together for broadcasting, and each student receives a DVD of his or her work at the end of the program.

So far this year, we have been to the Angier, Bowen, Burr, Lincoln Eliot, Memorial Spaulding, Peirce, Underwood and Ward

ORIGINAL PROGRAMMING UPDATE
by Angela Harrer, Media Specialist

Back by popular demand this spring is the second episode of NewTV’s original program, The Folklorist, featuring host John Horrigan. For those of you who are unfamiliar, the show explores the historical events and stories that make up the fabric of our cultural heritage. We’re also currently in production on several new episodes of the program, with the entire first season of eight 30-minute shows expected for a release this fall.

So how do we do it? For creating the look and feel of the show, we use a basic studio setup similar to a black box theater, and shoot using one of our Sony NXCAMs mounted on an eight-foot jib to give viewers a more cinematic experience. We record John’s footage and the reenactments in the studio, and incorporate clips of archival and field footage to help tell the story visually. For any field footage, we shoot on a Canon C300 using various prime and zoom lenses to give it a nice depth of field that looks similar to film. It’s incredible what can be accomplished right here in the studio with just a little creativity and a lot of dedication! For more information, or to watch the program, visit newtv.org/folklorist.

About the teacher: Melinda Garfield is the Education Channel Coordinator at NewTV. She holds a bachelor’s degree in Communications, is a Massachusetts licensed and certified educator, and was a middle school digital media instructor in Revere from 2006 to 2008. When asked about her experience teaching the NewTV After School Program, Melinda said “My favorite part of the program is the last day . . . (ha ha) when a student is leaving and says ‘Oh man, today’s our last class? Well, thanks so much, I had a really great time.’ It makes it all worth it!”

This year at NewTV, keep an eye out for a number of great events we’re hosting for our members and the community. We’ll be kicking things off with a unique experience that will transport you to a simpler time in film: The Not-So-Silent Cinema featuring the New River Ensemble will be performing the soundtrack to classic Buster Keaton films including Cops and The Haunted House. The ensemble is made up of a keyboardist, clarinetist and cellist, and they’ll be playing live in the studio. Come in, get comfy and enjoy the films while grabbing some popcorn, candy and other refreshments. The event is free for NewTV members, students and seniors, and $5 for all non-NewTV members. If you can’t make this event, don’t worry; we’ll have plenty more on the way!

NewTV is the only source that provides gavel-to-gavel municipal meeting coverage available through both our channel and on demand via our website. We look forward to working with elected officials and city representatives to explain the challenges the community faces regarding aging infrastructure and balancing fiscal issues. NewTV will begin a collaboration with Sheriff Peter Koutoujian’s office to produce a monthly program that highlights many aspects and initiatives the sheriff is undertaking across the county. This partnership emphasizes NewTV’s commitment to developing programming at a municipal, county and state level.
